Highlight proposal

Dear Dr. Shinichiro Asai

we are glad to inform you that the MLZ Review Panel on behalf of the MLZ Directors has selected your proposal N. 10488 (*Neutron scattering study in magnetically ordered state in molecular quantum magnet*) submitted to the instrument SPODI, as a highlight proposal of the current proposal round N. 19.

We would like to thank you for the excellent proposal you submitted and we are looking forward to seeing you at the MLZ to perform your experiment.

We kindly invite you to contact the designated Local Contact to plan and perform your experiment. Highlight proposals have priority in scheduling the experiment.

Please do not hesitate to contact us anytime.
